Dear Dr. Placarte,

I am pleased to confirm that the Council of the International Association for the Study of Pain (IASP) has agreed to support the IASP Latin American Fellowship in your institution starting in 2019. We look forward to working jointly with you, your institution and FEDELAT to host this program as outlined in this document, in 2019.

The IASP Council has allocated US \$9000 to support the program. As a next step, please sign and return this letter with your acceptance. With your acceptance, you agree to manage the IASP Latin American Fellowship including the application and review process and to oversee the training program as outlined. Additionally, you will work with IASP to ensure that the successful candidate for fellowship is an IASP member. The IASP leadership expects that members of the training faculty will also be IASP members.

Once again, we look forward to working with you on this program in 2019. Please do not hesitate to contact me with any questions or concerns.

Sincerely,

Matthew D'Uva, FASAE, CAE  
Chief Executive Officer

C: João Batista Garcia, President, FEDELAT
